

DENZAI Technologies India Signs Service Agreement with Senvion India.

Tokyo, Japan, 28th February 2023 – The DENZAI Corporation (President and CEO: Kohki Uemura, Minato-ku, Tokyo) has announced that one of group companies - DENZAI Technologies India Pvt. Ltd. (DENZAI Technologies India) and Senvion India Wind Power Services LLP (Senvion India) have signed a service agreement on 27th February 2023. DENZAI Technologies India will supply cranes and special vehicles for Senvion India's onshore wind power construction projects in India. This is the first project in India for the DENZAI Group.

Senvion India is a leading company in the business of design, manufacturing, installing and commissioning of Wind Turbine Generators. DENZAI Technologies India will transport heavy equipment, including two large 800t crawler cranes for its onshore wind construction project from its base in Vietnam to Mumbai, where construction will begin in March 2023 for 12 months.

PROJECT DETAILS

Project Name	Senvion Wind Technology Pvt. Ltd.
Location	Nippani & Chikodi – Karnataka
Number of Units	37
Generation Capacity	2.XM series 2.7 M130 (2.7 MW)

In the meantime, DENZAI Technology India opens a branch office in Mumbai. At COP26 in November 2021, India plans to increase its renewable energy share to 50% by 2030 and to achieve carbon neutrality by 2070. As a result, the country is very active with a number of independent power producers (IPPs) with large wind farms and a number of offshore wind farm projects planned. Mumbai office will contribute to upcoming projects around Mumbai. Details are below.

DENZAI Technologies India Mumbai Office

Location	Navi Mumbai
Address	Office no: 1303, Cyber One, Plot no 4&6, Sector - 30A, Vashi, 400703
Branch Director	Suburamanian Murugan

The DENZAI Group is the biggest heavy machinery leasing company in crane in Japan. Since our establishment in 1972, we have opened offices throughout Japan, and in the Asia-Pacific region, Taiwan, Vietnam, India, and Bangladesh, where economic growth is remarkable. In 2020 we welcomed Huatong Holdings, a major Singaporean company, to DENZAI Group. We will be ready to meet the needs of customers around the world. Furthermore, we have established R&D Centre in South Korea for the development of cutting-edge wind power monitoring systems. The DENZAI Group will continue to earnestly respond to evolving needs of our customers with one-stop DENZAI SOLUTIONS for their greater success and contribute to the future with sustainable energy.
